NYC Department of Correction

FYs 2011-21 OPERATING EXPENDITURES, JAIL POPULATION, COST PER INCARCERATED PERSON, STAFFING RATIOS, PERFORMANCE MEASURE OUTCOMES, AND OVERTIME

New York City Comptroller's Office
Budget Bureau
December 2021

Average Daily Jail Population Fell 61% from FY 2011 to 2021

Department of Correction Budget and Jail Population

Note: In October 2018, New York City transferred 16- and 17-year-olds from DOC facilities to the Horizon Juvenile Detention Center, operated by the Administration for Children's Services, as required under the state Raise the Age law. However, DOC provided temporary staffing for the center in FY 2019, FY 2020 and FY 2021. For purposes of comparability with previous analyses, DOC costs related to staffing the youth center have been excluded.

Full Annual Cost per Incarcerated Person Nearly Quadrupled Since FY11

*Fringe benefit and pension costs are estimated as of April 2021.

Full cost excludes debt service, judgments and claims, and legal services. DOC costs related to staffing the Horizon Juvenile Detention Center were also excluded. In FY 2020, debt service added daily costs of \$73 per incarcerated person, and tort claim settlements and judgments added \$16 per incarcerated person per day. Fringe benefits include the cost of retiree health insurance.

DOC Overtime Peaked in FY16 and was Close to FY13 Levels in FY21

Agencywide Overtime Cost Relative to Average Daily Jail Population

Note: DOC overtime costs related to staffing the Horizon Juvenile Detention Center in FY 2019, FY 2020 and FY 2021 were excluded. Overtime per incarcerated individual represents the total overtime expense divided by the average daily jail population. The average overtime payment earned by uniformed DOC employees was \$16,155 in FY 2021.
